

FOREVER HOME LAND & BARN RAISING

Since 2015, Freedom Reigns Ranch has provided over 10,000 hours of mentorship to youth and young adults in Middle Tennessee. As the program continues to grow we have seen an exponentially increasing need for a space to call our "forever home".

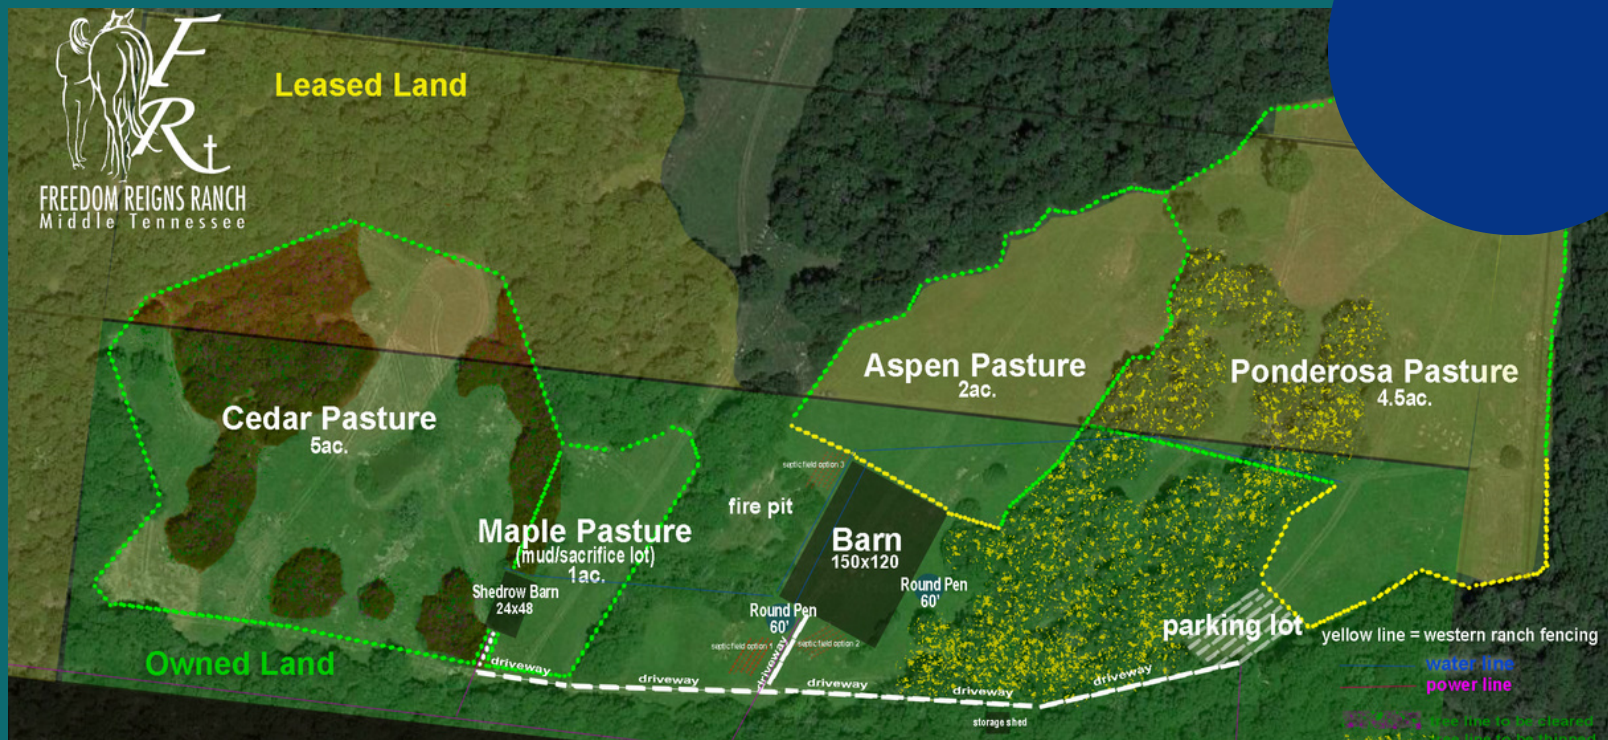

We need your help.

PHASE 2

The need for our own facility became evident as our wait list for sessions exceed 20 months and 140 individuals in 2022. Through a process and series of events only God Himself could have orchestrated, land was purchased and deeded to Freedom Reigns Ranch by Joseph Ware and Helion Group in November 2022.

The new property is a beautiful 38 acres with convenient access to I-65. Through Groove Life, a matching grant was offered and met in October 2022 for the basic necessary infrastructure (power, water, fencing of 10 acres, and parking and driveway).

Funds for the barn and covering for the arena were pledged by long time supporter Teresa Jaeckle, The Jaeckle Centre and are anticipated for Spring 2023.

All stone, rock, and sand was donated by Rogers Group in February, 2023

We are in the process of building basic infrastructure while simultaneously fundraising for the remaining need (Phase 2) to complete our project which will include the build out of the barn, fencing for arena, a round pen, and fencing of 12 acres of pasture.

Anticipating full funding, our estimated Grand Opening will be June 2023. Can you help that happen with a donation toward one of these areas to sponsor?

Anticipated move-in: May 2023
